7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best Practices 01 Title : Eradication of Kharra Addiction It is true that addiction of Tobacco and other things are very serious issue in our country. It has been spread widely and to keep it in control is a burning question. Our question in this regard took an initiation in the academic year 2017-18.College has started several prevention programme .Our college NSS team visited nearby villages to bring awareness for ages between 11 to 21 particularly. Through the volunteering of local coaches , we collectively work to eradicate khara (tobacco) addiction .We encourage dialogues between youngsters and parents. We communicate the risks of such addiction to students. In the academic year 2017-18 we started khara eradicate campaign from our own campus. Our volunteers and teaching staff once in a week randomly go to classes and Khara checking campaign runs. Initially many students were addicted of Khara, after consolation and telling them disadvantages of it,later numbers found decreased addiction of khara chewing students. Due to the socio-economical background of students they are not much aware of the disadvantages of eating tobacco. Our college took major initiatives to eradicate it in the academic year 2017-18. From this year onwards number of students got aware about it and now on campus none student is addicted of chewing tobacco. This activity run by college in the academic year can be recognized as best activity on the campus. Best Practices 02 Title : Plantation of 3000 trees Planting 3000 trees as per government policy. The increase of the population in our country has lead to the shrinking to the forest area. There is dire need of plantation of trees in the country for securing the future of our new generation. Our college is located in the lap of nature surrounding the forest area we plant trees i9n every year in our campus. Our college has received the prestigious Vanshree award. We are planting trees as per the policy of the government. In the academic year 2017-18 college took initiatives and followed guidelines given by government of Maharashtra to plant maximum trees in campus area. Prepared plan in the beginning of the year to plant more trees as compare to previous years. All teachers were given targets to plant the trees along with the students. Our NSS volunteers with the respective teachers work throughout the year to plant the trees and to preserve them . Most of the trees are now in good condition.The principal of the college always takes feedback from NSS programme officer about the condition of trees. Planting trees on campus is our yearly activity but in the academic year 2017-18 me planted of the trees so this can be recognized as best activity on the campus. Our aim is to go for more numbers in the future with preserving previous planted trees. And future generation will be definitely benefited for this best activity run by the college.

8.Future Plans of Actions for Next Academic Year

To improve the educational status of the slow learners and bring them into the mains stream of education. Being backward area, leads financially backward background of the students, we have plan to support such students financially. Students are weaker at English language as department of English will take large efforts to make our students self confident. We will try to maintain strong bond between institution and students. Head of the institution has given free atmosphere for faculties to make student bold and confident faculty will do the same in next academic year. We will try our level best to increase our students numbers in competitive examination. College is trying to start Department of PG commerce for the year 2018-19. Also college is seeking for grand-in-aid for science faculty.
