Student Minorng System

Goals

- To give special attention towards the all-round development of the students.
- To improve discipline and human interaction on the campus through the mentoring system.
- To give life-oriented education.

The Practice:

- Each staff member is allotted 20 to 30 students and he will be a mentor during all the three years of their stay in the college. The mentor sheet has been designed to made provision to include all academic, co-curricular and personal details of the student including his/ her family during the first year degree.
- The mentor helps the student to understand the organizational culture. He helps the students to set their career goal. The mentor points out strengths and areas of development in students. He provides guidance on personal issues and guides her/him to choose certificate or credit courses offer in the college.
- The mentor meets his ward regularly. Parents are called for interactive sessions to know how constructively their ward utilizes the time at home. Constructive suggestions are made for the overall development of the students.
- The mentor points out strengths and areas for development in each student, he also helps the student to set goal term career goals. Sometimes mentors even address health problems and personal problems of the students.
